

TROOP / GROUP PATCH PROGRAM

This additional program was developed for Girl Scouts as a community service project. Participating girls ask customers to purchase at least one extra box of Girl Scout cookies to share with the military. This program is optional.

How the Program Works:

- 1) Before the cookie sale, troop members should decide which military person(s) the troop will ship Girl Scout cookies donated by customers.
- 2) Troop members need to make copies of the flyer with the name of the military person(s) or troops.
- 3) When taking orders, girls ask customers to purchase additional boxes of cookies as a gift for the military . Girls may show them the flyer.
- 4) Troop members ship boxes of donated cookies before April 30, 2009.

**Return this form to Council Shop to purchase
Operation Taste of Home patches.**

Military Branch(es) receiving cookies:

___ # of boxes sent or ___ # of cases sent Ship Date _____ Leaders Initials _____

Girl Scout Troop # _____ # Participating _____
