

BABYSITTING FOR GIRLS

EVENT #103

Grades 6-12

American Red Cross Babysitter's 6-hour course gives youth the skills and confidence they need to be great babysitters. Organized in 35- to 50-minute segments, the course provides participants with a range of injury prevention, first aid and basic care skills and helps develop professionalism and skills in decision-making and leadership. They may babysit for pay, babysit for siblings, relatives and neighbors as a household responsibility, or volunteer in places such as nurseries, daycare centers and hospitals.
